Grow, Nourish, Reward.
Bold Actions for Resilient Food Systems

AGRF 2022 Summit Grow. Nourish. Reward. Bold Actions for Resilient Food Systems

Pre-summit - 5 Sept 2022
Summit - 6- 9 Sept 2022
Kigali, Rwanda

The AGRF, Africa's premier forum for driving the food and agriculture agenda in the continent, will host its 12th annual summit under the theme Grow. Nourish. Reward. Bold Actions for Resilient Food Systems from September 6 -9, 2022 in Kigali, Rwanda.

Together with the Government of Rwanda and the AGRF partner's group, the AGRF 2022 Summit will provide a platform to reflect on the coordinated large-scale action by leaders, institutions, investors, coalitions, and individuals to accelerate action towards translating commitments made into actionable strategies and progress on the ground.

The summit will convene leaders from governments, businesses, civil society, international organizations alongside innovators, financiers, experts, scientists, entrepreneurs, and youth. To journey along as they define game-changing solutions towards a food-secure Africa and food systems that deliver for people, planet, and prosperity

Grow. Nourish. Reward. Bold Actions for Resilient Food Systems.

The AGRF 2022 Summit will seek to find catalytic solutions to:

- **Grow** the coordinated and large-scale action by stakeholders across multiple sectors
- **Nourish** innovations and cultivate country solutions that will translate the commitments made into actionable strategies and progress on the ground.
- **Reward** and recognize champions and celebrate country pathways

The summit will also explore the accelerators needed and focus on the ongoing interventions and actions required to mitigate and address the interlinkages between climate, fragility, nutrition, and social inclusion.
